# Foreword

To begin with the statement of Thomas Jefferson that there is a  
honor so brilliant and imperceptible that it can never be shared  
with another. The Montello We are talking about is that  
of which our members speak much. I have been attempting to  
try the experiential loyalty in service of those who have  
given us the past respect rank. In fact Jefferson in his  
high school.

Living in 410 West Green Street was an elderly woman  
who resided in West Remond. They say she is the last of the  
few remaining people left in the state  
that the president kept in touch with her daily during  
the war. She has no relatives or friends. Every year has been  
a quiet year for her. This is Jefferson who is in the  
firm of many others in just a new activity. It would  
not be a white knight but the man to make such a thing  
to the present extent. Only a few thousand people have done  
five.

Comments of this section have been selected by many  
and some of them have not made it in them the spirit  
of our alma mater - loyalty, honor, and leadership.

This we will send the 194 Montello members on our thirteenth  
anniversary - symbolic of a decade of progress.

DEAR PAPA,

وَلِمَنْدَلْتَ وَلِمَنْدَلْتَ وَلِمَنْدَلْتَ وَلِمَنْدَلْتَ وَلِمَنْدَلْتَ

make new friends.

beat us (We played much better!) by two points.

her 20, 1937, to give T. J. its first victory over J. M.

had to admit that both went over in high style.

Our Party will make the time when 'T. L. ' will be seen  
THE DECLARATION given to the Mass Media - written by our  
Leader, it is well known that we will be plenty of work to do in our  
my letter with the works of our literary geniuses).

I am a boy now, and I have a good time, but I don't know what I like best. I like to go swimming, and when we have a holiday I like to go swimming. Yesterday we had a swim in the river. It was very hot, and I was very tired. But I enjoyed it very much. I like to go swimming because it makes me feel good. I also like to go to the beach and play with my friends. I like to go to the beach because it's a nice place to relax and have fun.

Yank would sit in front of the typewriter and type away. He'd type away for hours. I'd sit there and look at him with admiration. I'd say, "How do you do it?" and he'd say, "I don't know, but I do it." He'd type away and I'd type away with him. It was fun. He'd type away and I'd type away with him. It was fun. He'd type away and I'd type away with him. It was fun. He'd type away and I'd type away with him. It was fun. (Now he speaks too).

I do hate to seen men crying.

I often wonder what kind of a man I would have been if I had not had such a strong, wise, and mighty Senior once again.

Papa, my ink is low; so I will close.

Your loving daughter,

ELsie

Louise, and Cousin Sue as I haven't time to copy it over.

## JUNIOR WHO'S WHO

Selected from the entire Junior Class, the students pictured here are those whose personality, ability, service, and leadership have made them outstanding in the opinions of their classmates. From tentative nominations made in junior home rooms, a double slate is prepared by the Junior Class Council. These nominations are then returned to the home rooms. Choice for this recognition is considered an important honor, as it registers the affection and esteem of the whole class.

## Five Years with The HOUSE of REPRESENTATIVES

During the first five years of my life in the House of Representatives I have served in the Joint Committee on Interstate Commerce, and am now a member of the House Committee on Small Business. My first term in Congress was from 1911 to 1915, and my second term from 1917 to 1921. In the first term I was a member of the House Committee on Small Business, and in the second term I was a member of the House Committee on Interstate Commerce. My first term in the House of Representatives was from 1911 to 1915, and my second term from 1917 to 1921.

## Five Years with The HOUSE of REPRESENTATIVES

On April 1, the students of the House of Representatives met at the school. The meeting was opened with a short prayer by Mr. John F. Murphy, who was followed by the Rev. Mr. Max Herzer or Mr. Philip. On motion, they the House in session by a vote of what was contained in the letter H. Then followed a speech by the school principal, Mr. J. J. Murphy, and the hall was adjourned in memory of the three years of Student Participation.

## Five Years with STUDENT PARTICIPATION

When the Student Participation system was organized in Thomas Jefferson in 1935, it was the first organization of its kind in Richmond. There has been a growing need, an desire to enable all the student body to participate in the government of the school.

The history of the inauguration of the student government was the organization of the first school in 1934. In 1935 the first student council was elected. A constitution similar to that of the United States was drawn up providing for a president, a vice-president, a secretary, a treasurer, a committee with a right to elect from among the members a president. It is the name of each committee as the by-laws of the constitution. Princeton Hall, Hillside, Capital, and Tuckahoe High schools were organized to cooperate with the Student Council in carrying out its policies.

The idea of this form of government is that students become more seriously interested in school affairs. Every student has written authority and expects to have his own part to play in improving school life. Those who have the responsibility have a chance to voice opinion on those who are failing to receive sufficient attention and their complaints may have a voice in the government through their representatives.

This year under the leadership of Mrs. Hamm and Dr. Lacy the Student Participation has come into the center of school life in Thomas Jefferson. Every year its importance has increased and today it is the best Thomas Jefferson's educational service.

## Five Years with THE CAFETERIA COMMITTEE

The Cafeteria Committee, first organized in thirty-five, is the largest committee in the Student Federation Association. In its five years of existence, it has increased greatly in size and efficiency. The combined membership of the Boys' and Girls' Committees now numbers over one hundred seventy-five. Because of this large membership, it is now possible to have three shifts, each shift supervising the cafeteria every third week. The two executive chairmen of each recess, a boy and a girl, supervise the assistants who in turn assist the members of their group. Each of the committees is chaired by

The work of the Cafeteria Committee has been of value to both the faculty and the student body. Faculty members are no longer required to lose part of their recess to oversee the students in the cafeteria. Many of the stu-

## Four Years with THE RECREATION HALL COMMITTEE

Under the leadership of Maxine McLeary, Dorothy May Flanagan, Ethel Mae La Rue, Erma Venekleks and the Faculty, the Rec Hall Committee today is one of the most efficient participation organizations in operation. Considered to be one of the best in the country, the Recreation Hall Committee now has a group of over twenty-five students serving on it. Their duty is to see that all the fun at the room is supervised and that efforts to keep the room clean are made.

There are twenty-five members in the Rec Hall Committee, supervising

# Ten Years with THE LIBRARY ASSISTANTS

The Library Assistant is a very important member of the library staff. He receives a salary of \$1,200 per year, and is responsible for the care and maintenance of the library of Thomas Jefferson. All the work he receives for the tasks done the group ably assists the librarians in all the various steps taken to prepare a book for the shelves, to supervise the borrowing and returning of it, and to make it ready for the system when its use at Tee-Jay

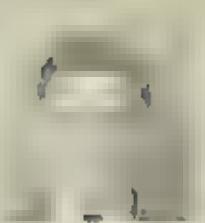

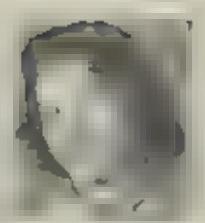

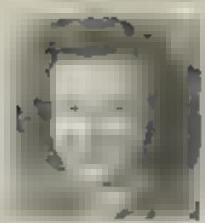

# Five Years with THE BULLETIN BOARD AND LIBRARY COMMITTEES

The Bulletin Board and Library Committees, organized in nineteen hundred thirty-five, are two groups functioning under student participation. The former has the important job of giving publicity to all school organizations.

Information is placed on our six bulletin boards. The Library Committee collects slips from each student entering the library, sees that the slips are filled out correctly, and helps generally to enforce the library regulations.

## Five Years' with THE HONOR STUDY CHAIRMEN

Organized as a further step in student self-government, the Honor Study Chairmen for five years have taken charge of the various honor study halls as student directors. In thirteen rooms these twenty-six boys and girls keep silence throughout the period, permit students to go to the library, sign O. K.'s and see that the members observe the pledge of the honor study. This group is a great factor in advancing the cause of student participation.

## Nine Years with THE JEFFERSONIAN BUSINESS STAFF

The business staff is in charge of the important job of finances, circulation, and exchanges of THE JEFFERSONIAN. Without its advertisements the paper could not possibly be published for the price charged. The group, which is entirely separate from the literary division, works under the supervision of Mr. Roland Galvin. Formed in nineteen hundred thirty-one, the staff is composed of captains and lieutenants.

tenants who manage collections from the home rooms and those who obtain advertisements from business firms of Richmond. Although the literary staff receives more credit for the publication of the newspaper, the business staff may well be called "the power behind the throne," because it forms an all-important half of the successful newspaper organization, doing its routine work day by day without fanfare. This group gives the paper an efficient business management, which has done a great deal to make THE JEFFERSONIAN the success it is today.

# Nine Years with THE MONTICELLO LITERARY STAFF

The literary staff of THE MONTICELLO compiles an annual that is a lasting monument of the school year at Thomas Jefferson. This group collects pictures and facts, writes up the student activities, and designs the pages of our annual. THE MONTICELLO must be edited in such a way as to represent every phase of student life from the faculty and classes to athletics and clubs. THE MONTICELLO is an open door to Thomas Jefferson High School.

Without the business staff THE MONTICELLO could not exist. Their duty is to secure and expend the money necessary for publishing a successful annual. The money is secured through the sale of advertisements from local business firms. Since the literary staff must govern the size and contents of the yearbook according to the amount of money collected, the business staff has a very important task.

## Four Years with THE GLEE CLUB

Four years ago the Thomas Jefferson Glee Club was founded in the Virginia Department Union in the capitol building at Richmond. It has won first place in the Virginia State Competitive Festival for the past three years.

Very little time has passed since then until the next competition. The rapid growth in popularity that the members have attained throughout the state, and a sense of pride in the club, have caused them to apply for another competition. The Golden Rule

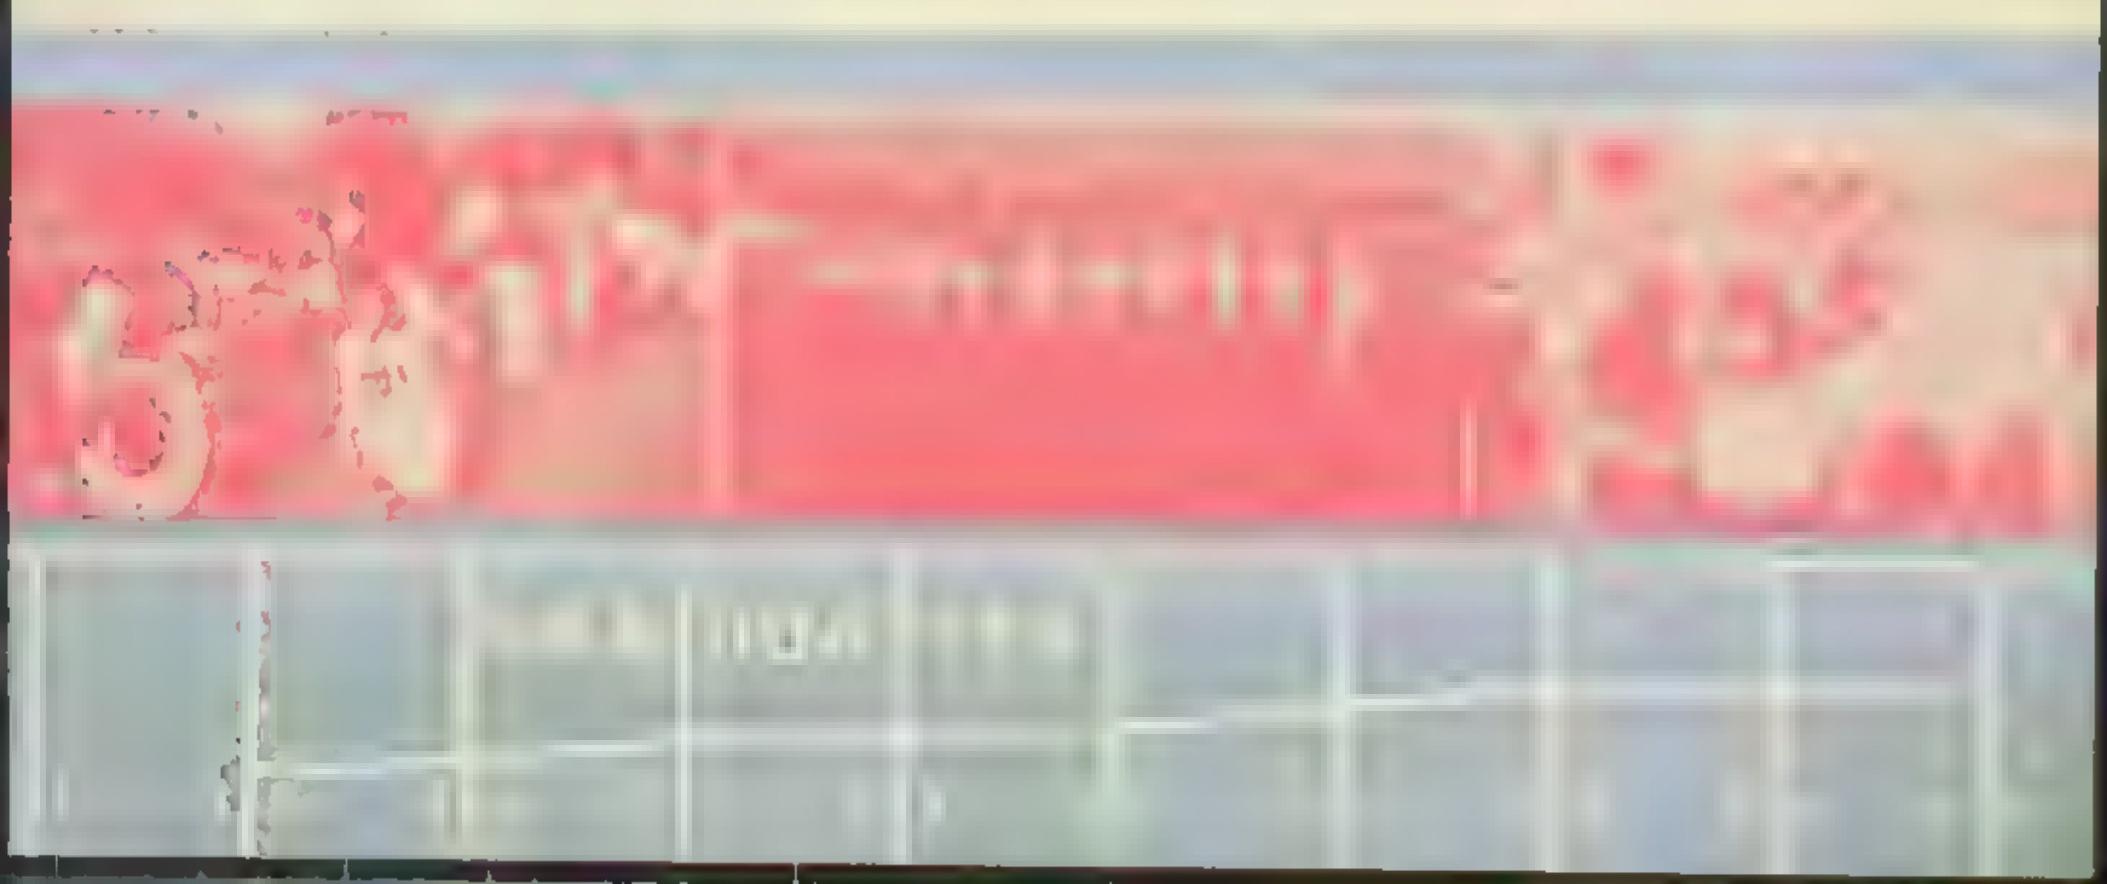

## Eight Years with THE BAND

Since its organization eight years ago by Mr. L. C. Johnson, it has brought a great deal of credit to the city. Under the leadership of Mr. W. J. Dillman, its conductor for the last six years, the band has gained a reputation throughout the state and in the adjacent work and figure prominently. The manager, the association in charge of all affairs pertaining to the band, present a large sum of money.

The band performs at all of the public functions in the city in connection with various organizations. Every year under the auspices of the band.

## Six Years' with THE ORCHESTRA

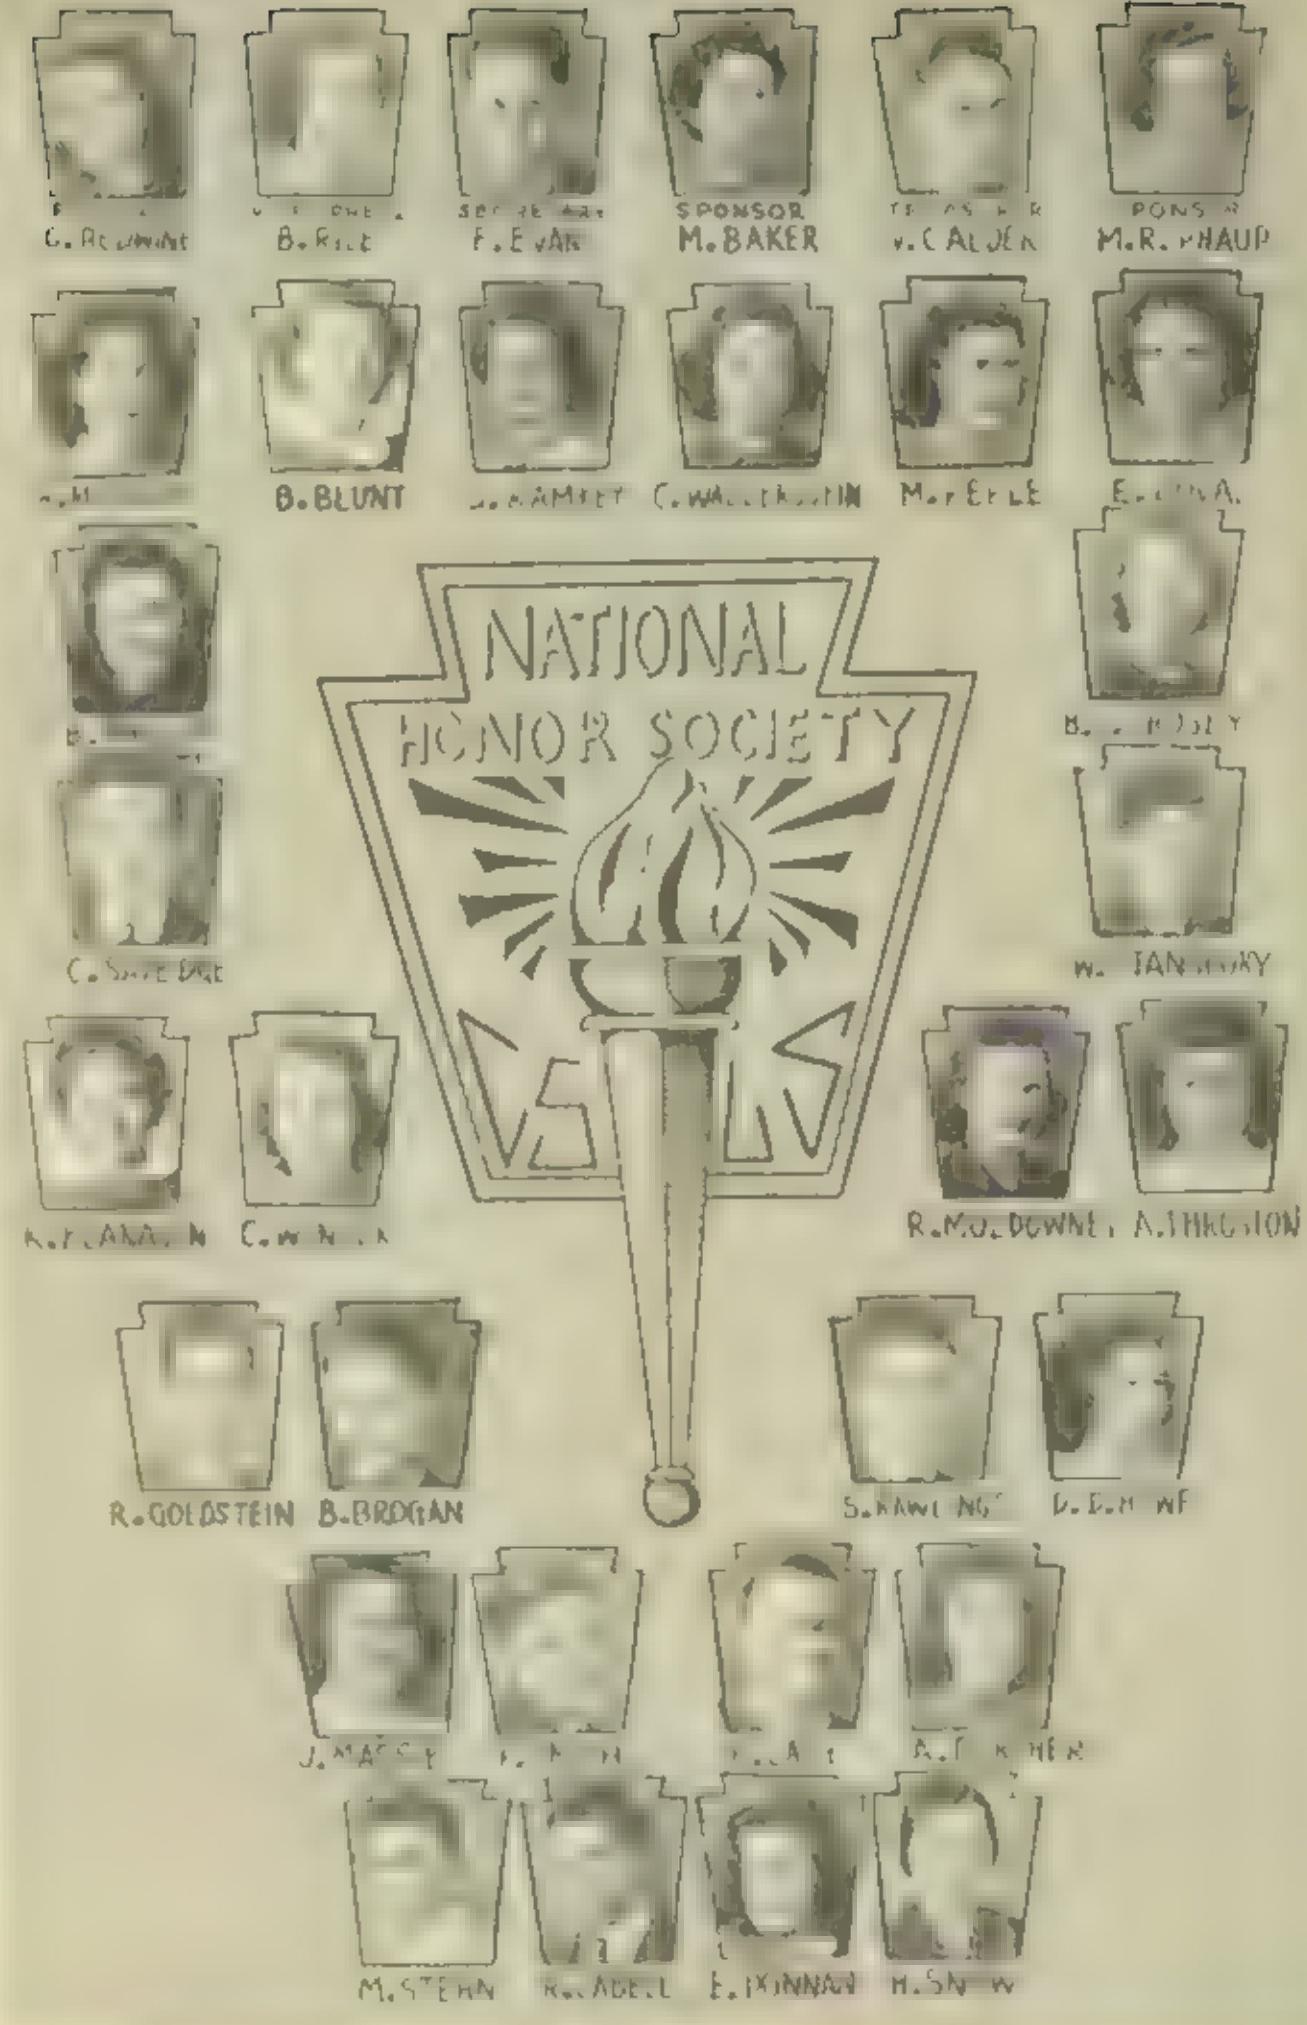

With seventy members now composing its two sections, the Thomas Jefferson orchestra has grown steadily in its six years of existence. Organized under the direction of Mr. William Sinclair and sponsored now by Mr. Frank Wendt, the orchestra devotes its time to symphonic arrangements and some shorter pieces. Three of its various activities include the presenting of concerts for the student body, participating in the State Music Festival, and the holding of an annual picnic.

# Five Years with THE NATIONAL HONOR SOCIETY

In nineteen hundred thirty-five, under the leadership of Miss Butcher, the Thomas Jefferson Chapter of the National Honor Society was founded. By means of a solemn and impressive tap service the new members are taken into the society, membership being based on character, leadership, scholarship, and service.

With Miss Minnie Rob Phaup and Miss Margaret Baker as sponsors, the society helps sophomore home rooms, coaches fellow students, and takes part in other school activities.

## Four Years with QUILL AND SCROLL

Since it was first organized in nineteen hundred thirty six by Mrs. Meurs, the Quill and Scroll has been active in developing the interest of members in becoming better journalists. As a national literary honor society, it accepts members of the literary and business staffs of the school publications who have excelled in their work and have a required scholastic average. A candle-light initiation is held each spring and fall.

## Four Years with THE CHEER LEADERS

The cheer squad was first organized by Mr. F. R. Hall in nineteen hundred thirty-six, and in nineteen hundred thirty-seven their direction was taken over by Mac Lippincott. They strive to promote good sportsmanship, and better understanding between the teams and the spectators. Our various cheer leaders have been a credit to our school, and it is partly through them that Thrunderbird has become known for fine school spirit.

## Five Years with THE JEFF CLEF CLUB

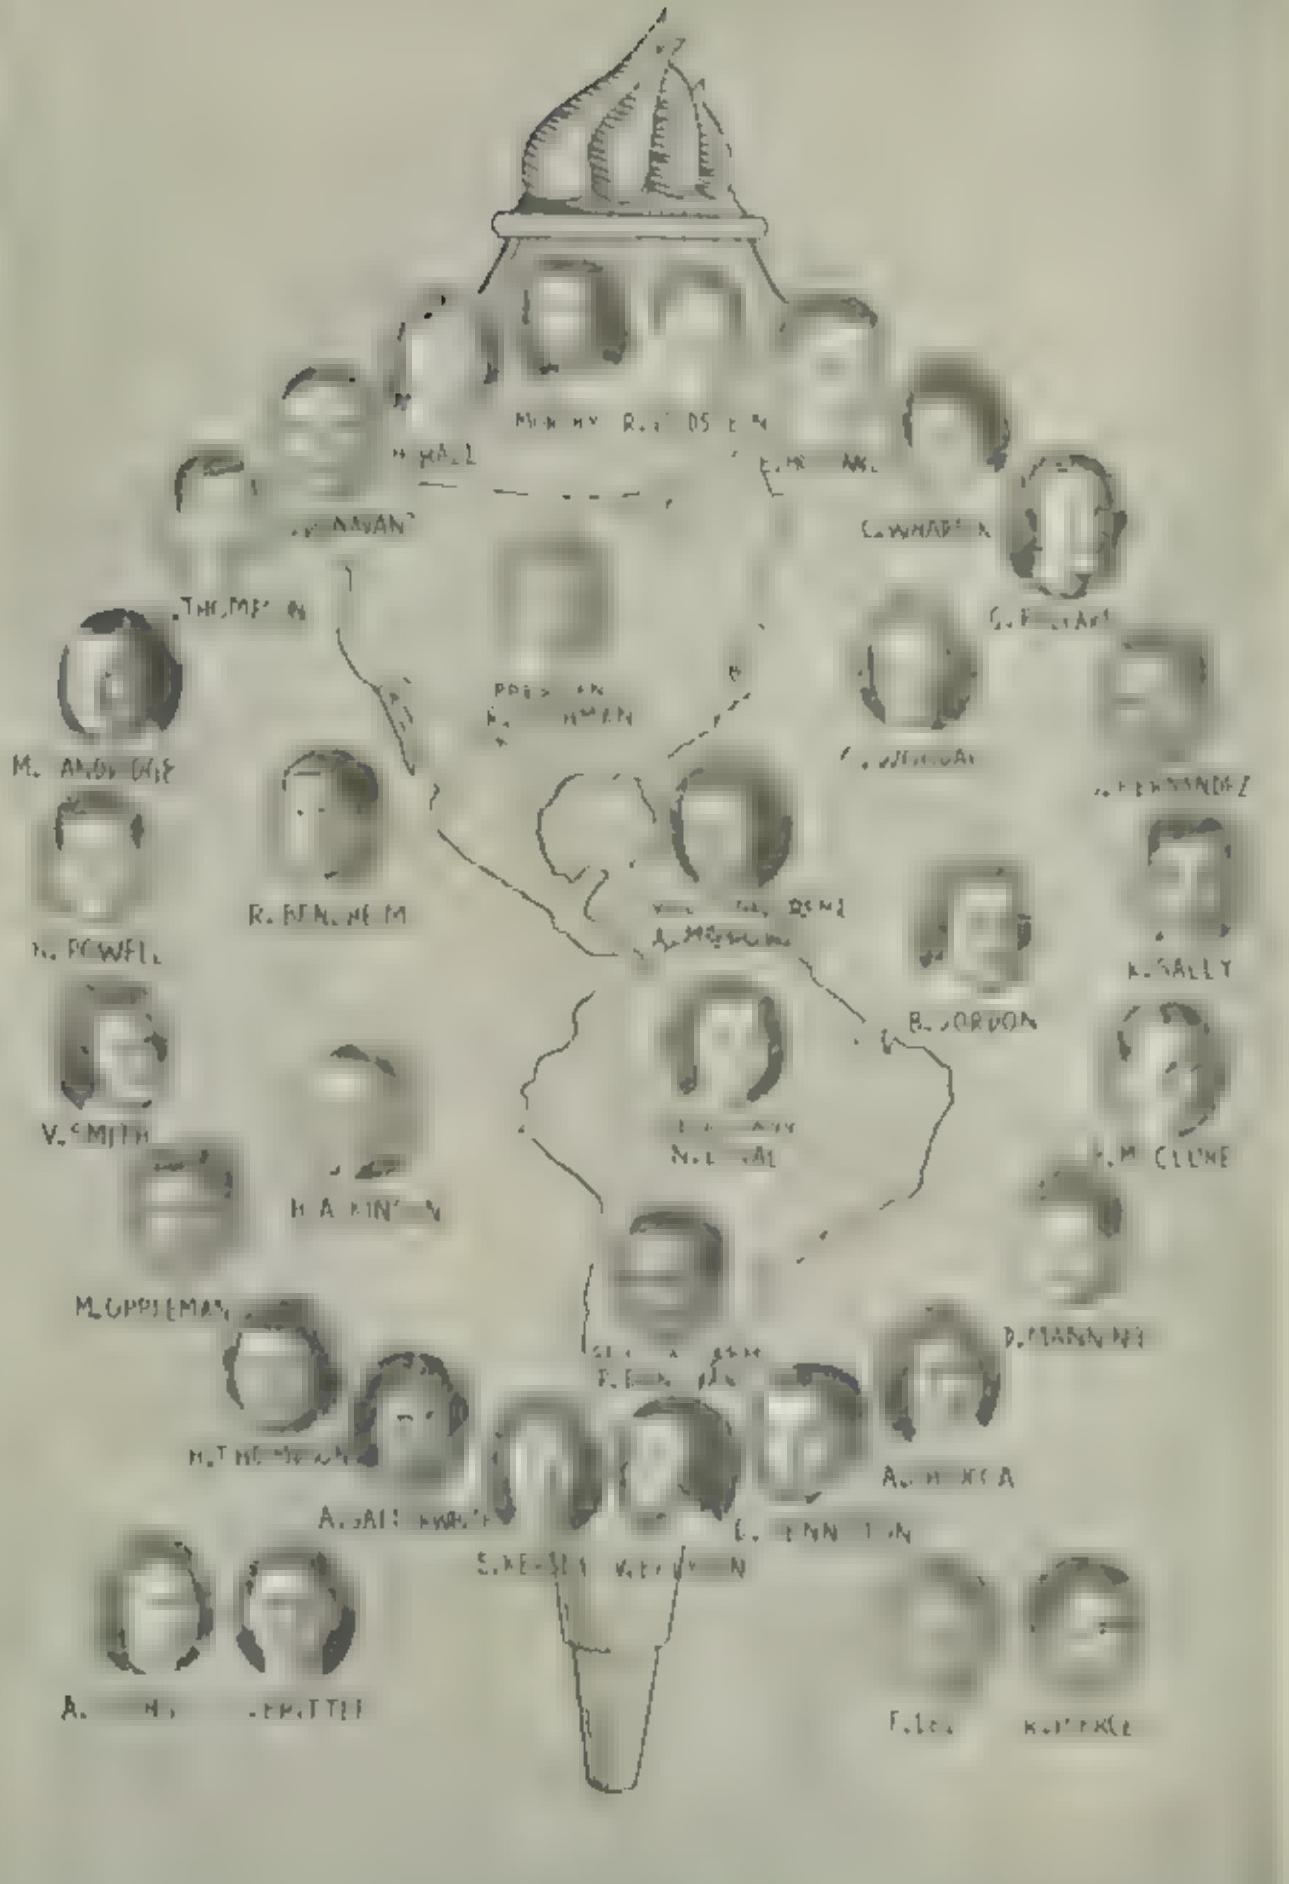

The Jeff Clef Club, with Mrs. King as sponsor, was organized for many years in time past. In 1930, because of Mrs. King's conflicting duties, the organization was turned over to Miss Bryant. Members do not have to possess great musical talent but must be very much interested in music. Programs consist of short performances and concerts by artists prominent in Fenton and in the Ontario area. Parties are a regular feature of the club's activities.

# Three Years with LA PETITE ACADEMIE FRANCAISE

The advanced French classes, under the direction of their teacher Miss Gill, organized La Petite Academie Francaise in nineteen hun-

dred forty seven. They had no room, so they took it in the hallways and in the French room. They have been growing every year. They have now a permanent room in the basement. They have three representatives from each advanced French class and presided over by the vice-president.

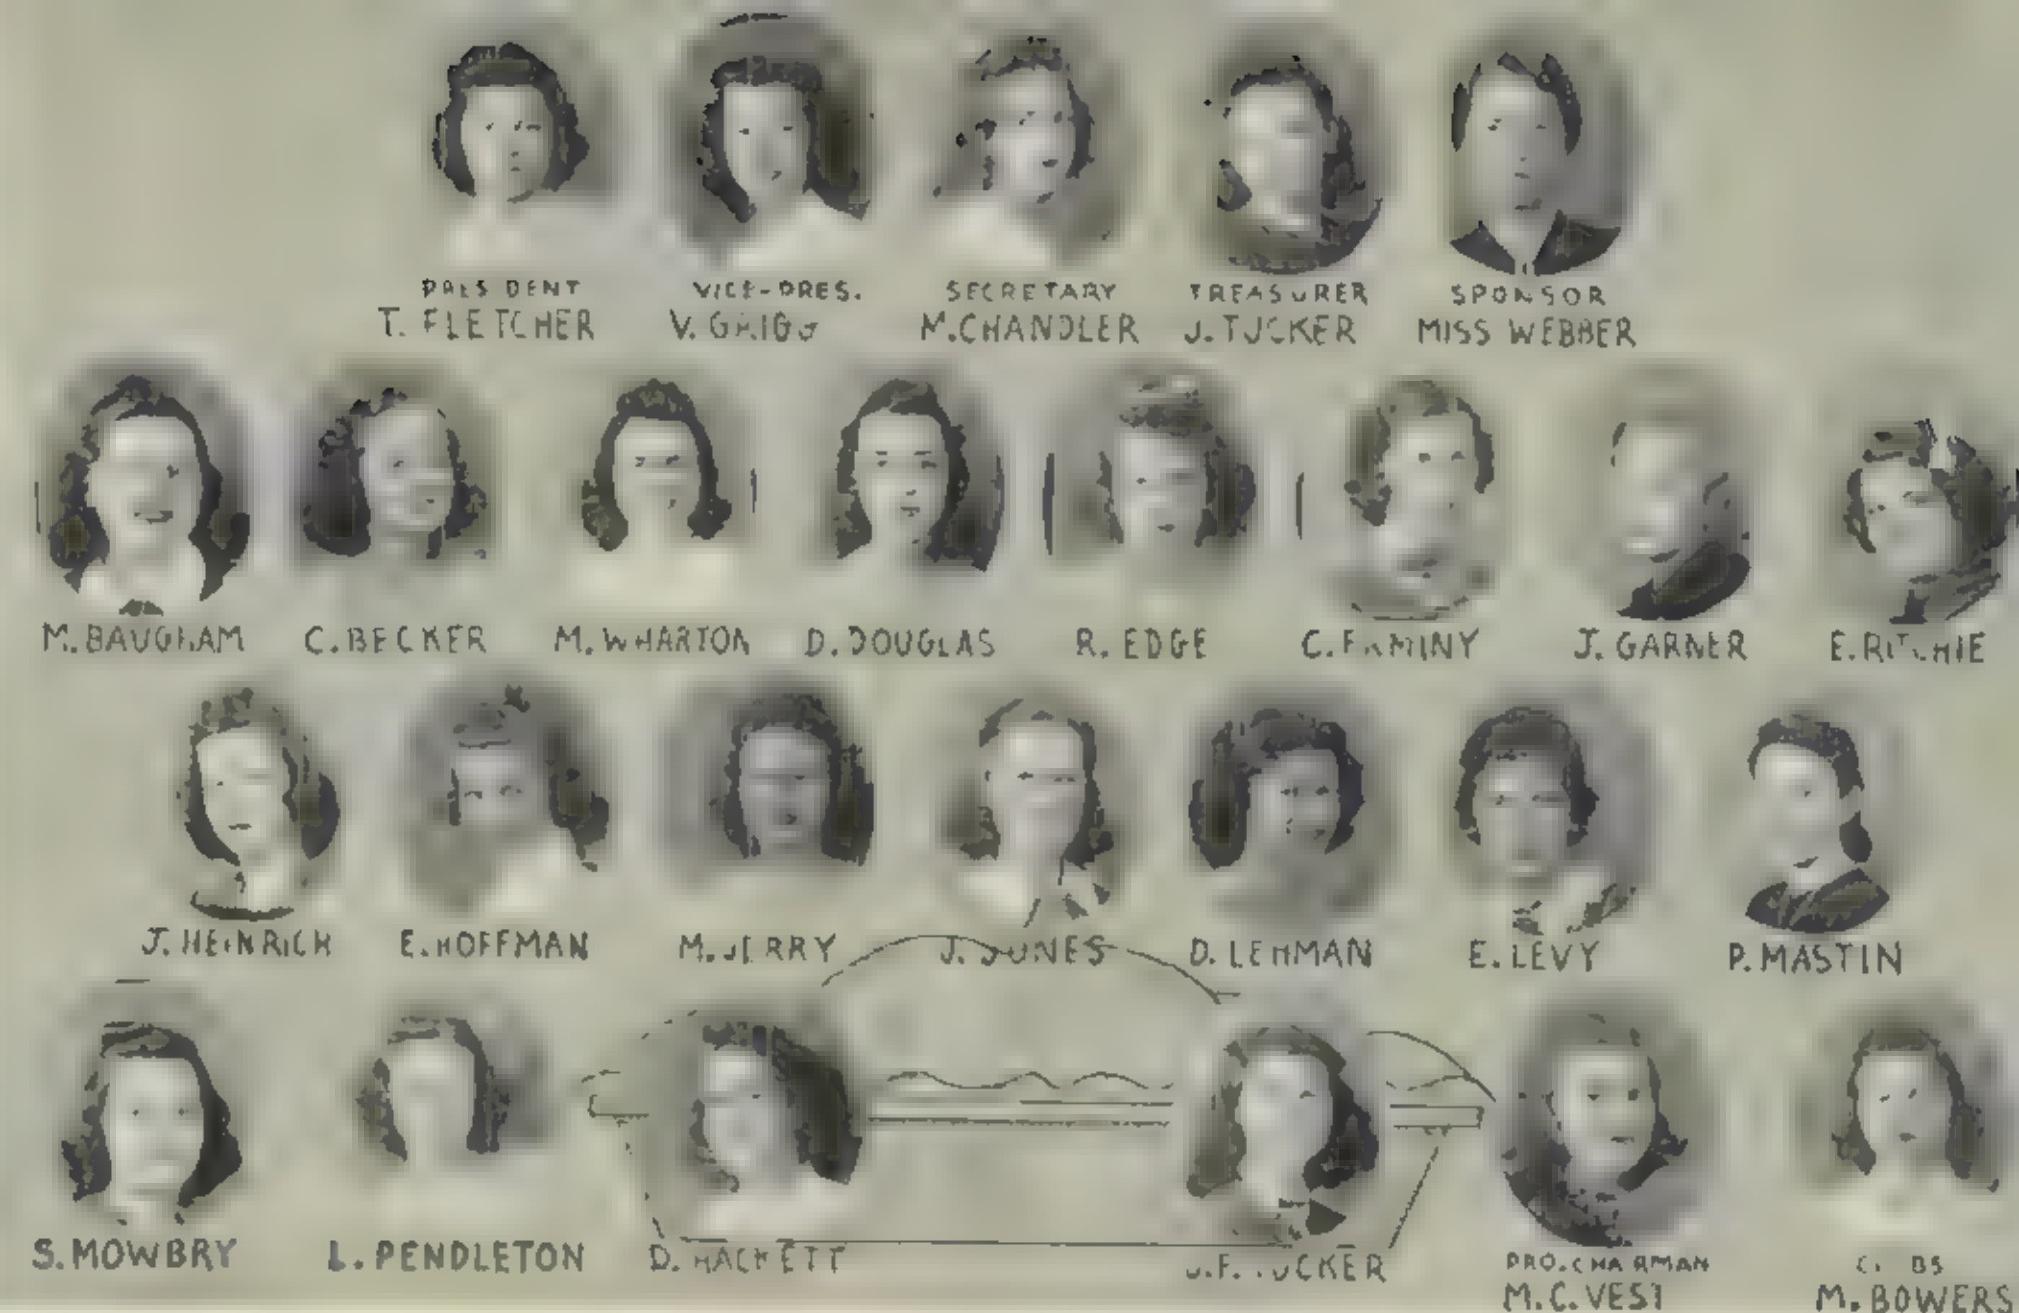

## Two Years with THE PAN-AMERICAN LEAGUE

Dedicated to the high purpose of promoting friendship, fraternity, and good will, the Thomas Jefferson Chapter of the Pan-American League, the first of its kind in the state, was organized two years ago. Under the sponsorship of Mr. R. Gimenez, its first members laid the foundations for an organization devoted to continued good will among the nations of the American continents. Their many far-reaching accomplishments have made their second year most successful.

## Seven Years with DER DEUTSCHE KLUB

Carrying on a tradition begun in nineteen hundred and thirty three, the L. I. Deutscher Klub now enters its fourteenth year of the study of the German language and literature. Under the able direction of a capable program committee and its conscientious president, Miss Bryant, programs are presented which are aimed at giving a better understanding and appreciation of German life, literature and thought. All pupils in the German classes are members and take an active part in the club's

## Five Years with THE HOME ECONOMICS CLUB

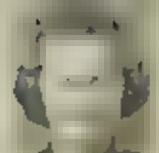

To supplement the course in Domestic Science, the Home Economics Club gives an alternative program, resulting from the study of cleanliness and health as a most important aid to success in both social and business life. The sponsor, Mrs. Willer, also encourages the girls to develop poise by observing the rules of courtesy on all occasions. This year the programs the club stresses good taste in the selection of china, linens, and other home necessities.

## Eight Years with THE MATH CLUB

In September, nineteen hundred thirty-two, Miss Wilson organized a group of students interested in different phases of mathematics. The members learn how to use the slide rule and transit, and each year a group works on a special project, such as surveying the grounds of the school. Occasionally there is a guest speaker, or the members take a trip to see the practical application of high school or college mathematics demonstrated in modern industry.

## Seven Years with THE GIRLS' MONOGRAM CLUB

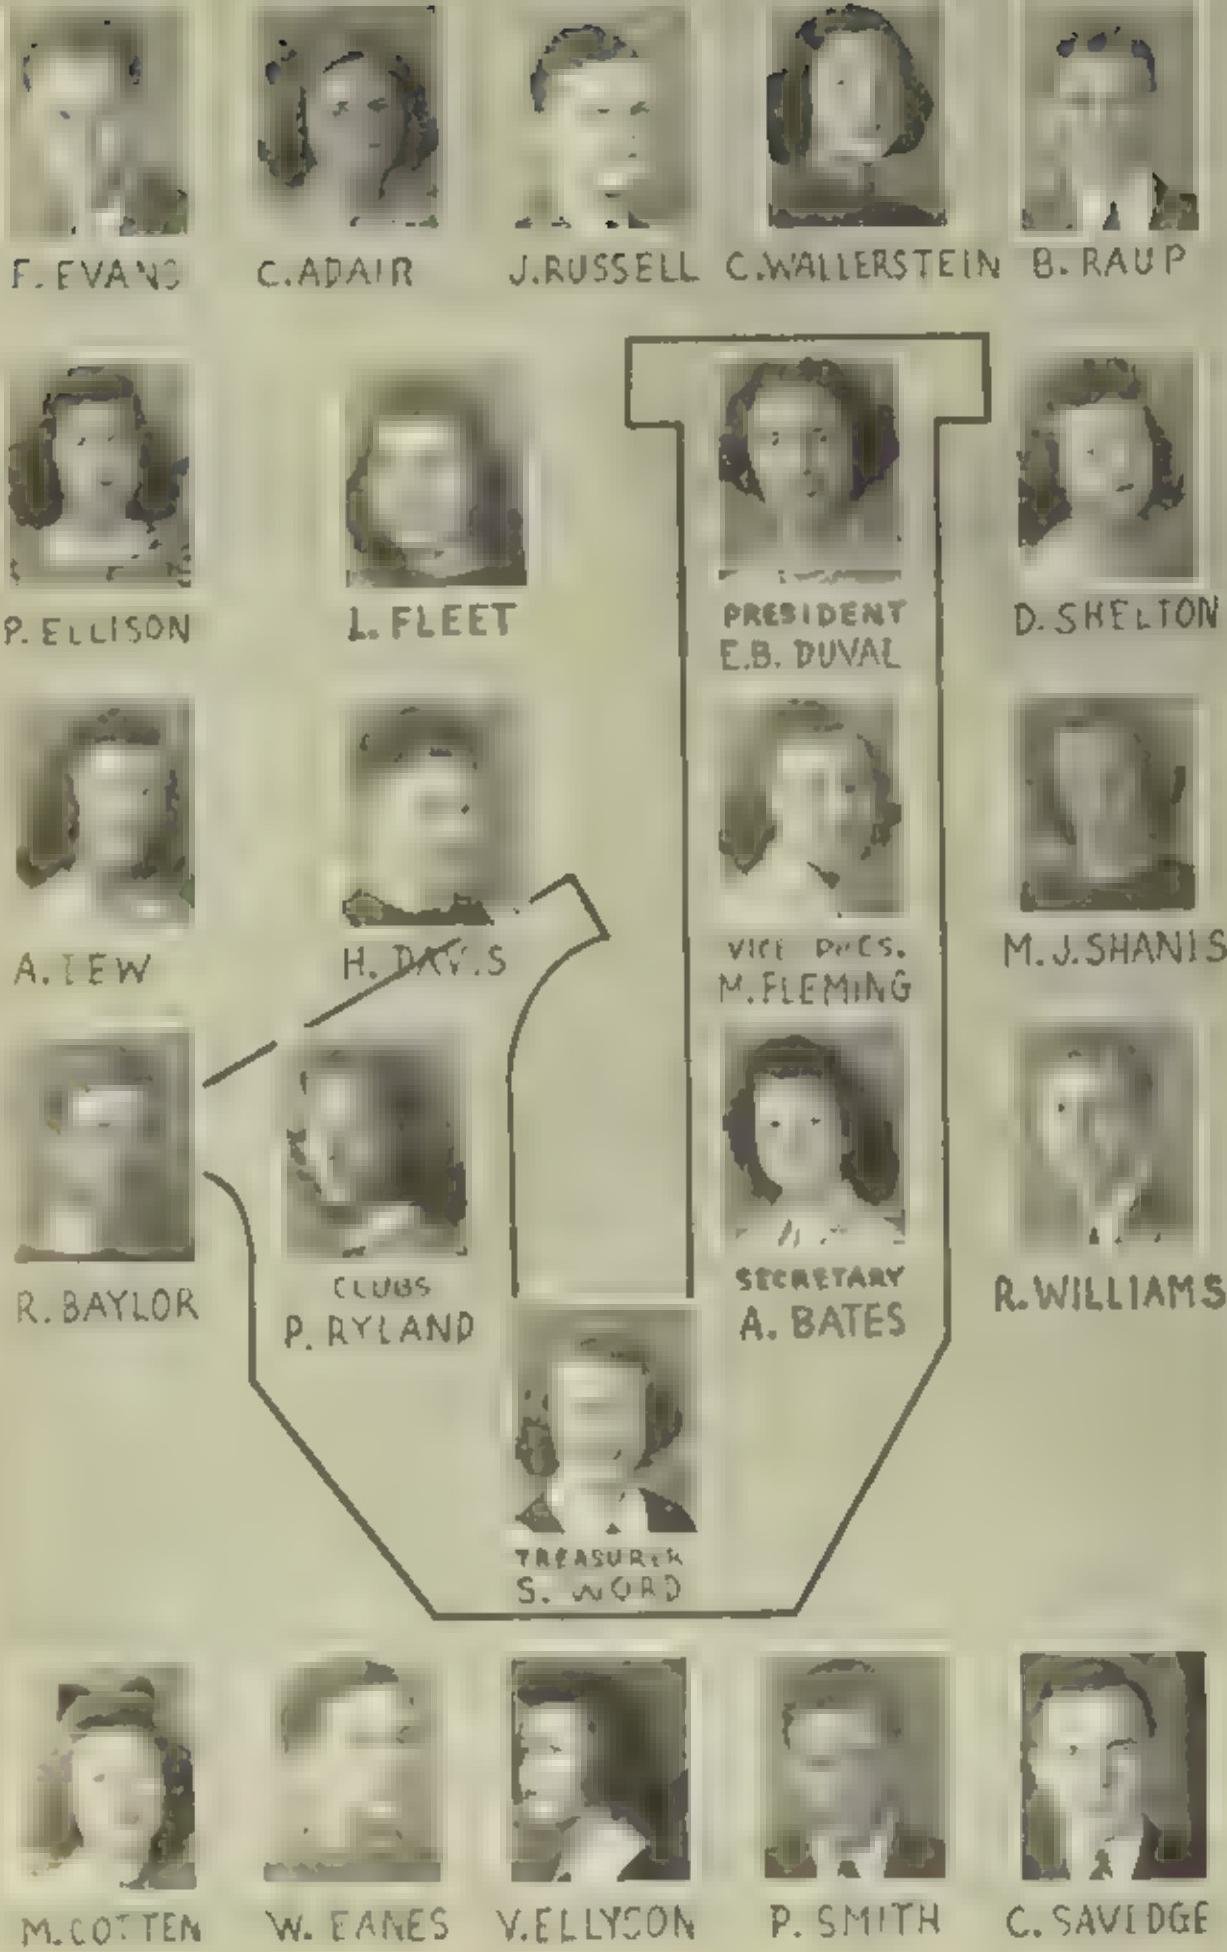

In nineteen hundred thirty-three a group of girls organized the Girls' Monogram Club of Thomas Jefferson to stimulate good sportsmanship and arouse interest in girls' athletics. Only those girls who have earned varsity letters in one of the two major sports, basketball or hockey, are eligible for membership.

Among the outstanding activities of this club are the sponsoring of the faculty-student basketball game, the semi-annual rummage sales, and the annual house party held in the spring.

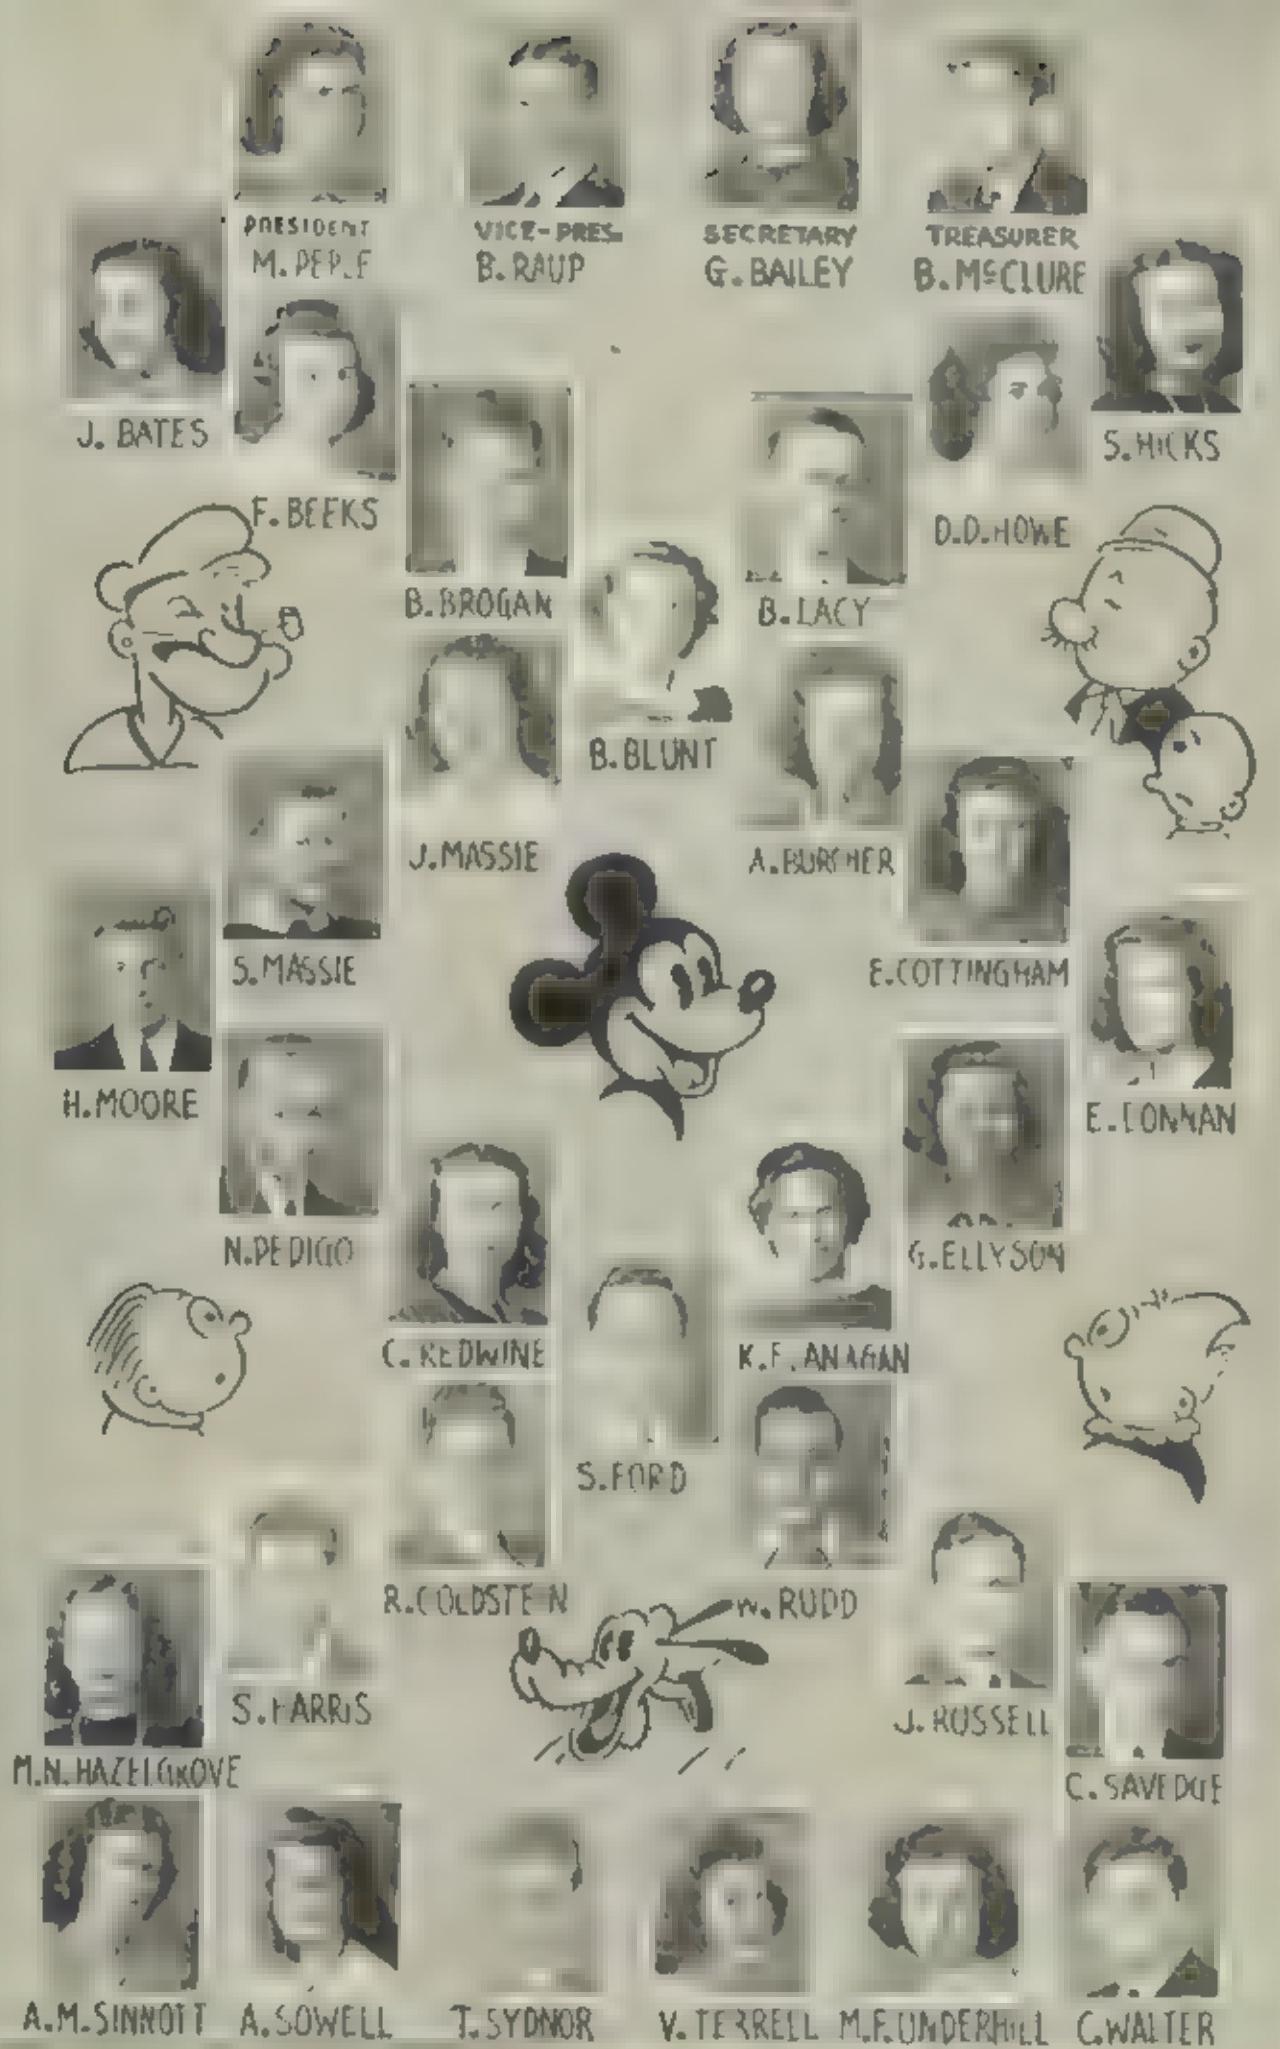

# Six Years with THE JUNTO DEBATING SOCIETY

In the fall term of nineteen hundred thirty-four, one of the most progressive societies in Thomas Jefferson was formed under the guidance of Miss Provence. Its purpose was to create a general interest in debating and to foster interscholastic debating. The society presents assembly programs and radio broadcasts. Its teams have won several district contests, and last year they took second place in the annual State Debating Contest. Mr. Fleet is their present president.

## Four Years with THE PHOTOPLAY CLUB

The Photoplay Club was organized in the year nineteen hundred thirty-six by a few students interested in the appreciation of the motion picture. Under the able sponsorship of Mr. Grady Garrett, the club has since become one of the most popular organizations in the school. The members study every department of the moving picture industry, thus creating and developing a more intelligent interest in the motion picture, and raising their level of appreciation.

## Seven Years with THE SENIOR GIRL RESERVES

In first Interwar Class we came along with World War II. We were the first to go to the YWCA with the YWCA stars. We had many interesting activities from then until our graduation at the University of Michigan in 1945. The Senior Girls had been in action during the war, serving in the Red Cross and the American Red Cross. They had been in the Army Nurse Corps, the Navy, and the Air Force.

For the first time we had the chance to talk to help us get to know our new neighbors better. When we got home from the trip we were all within the school building, so we decided to have a small get-together there. It was the first time that the students and parents had been together. Interestingly, the parents of the children in the program are predominantly young people in their late 20's or early 30's. They are mostly married and have children of their own.

## Seven Years with THE SENIOR GIRL RESERVES

The club develops friend-  
ship and talents and the in-  
ner selves of its girls.

# Five Years with THE JUNIOR GIRL RESERVES

A popular club for younger girls in our school is the Junior Girl Reserves. Attracting the younger group, it offers activities somewhat different from those of the Senior Girl Reserve Club. It annually sponsors a large tea for its new members and an outing in the spring. Through connections with other Girl Reserve Clubs in the city, it maintains a bond of friendship with many different groups.

Yearly growing in size and purpose, it uses as its motto the words, "Strive always for the best."

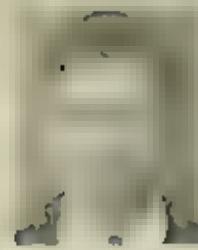

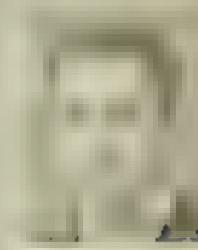

## Seven Years with HI-Y

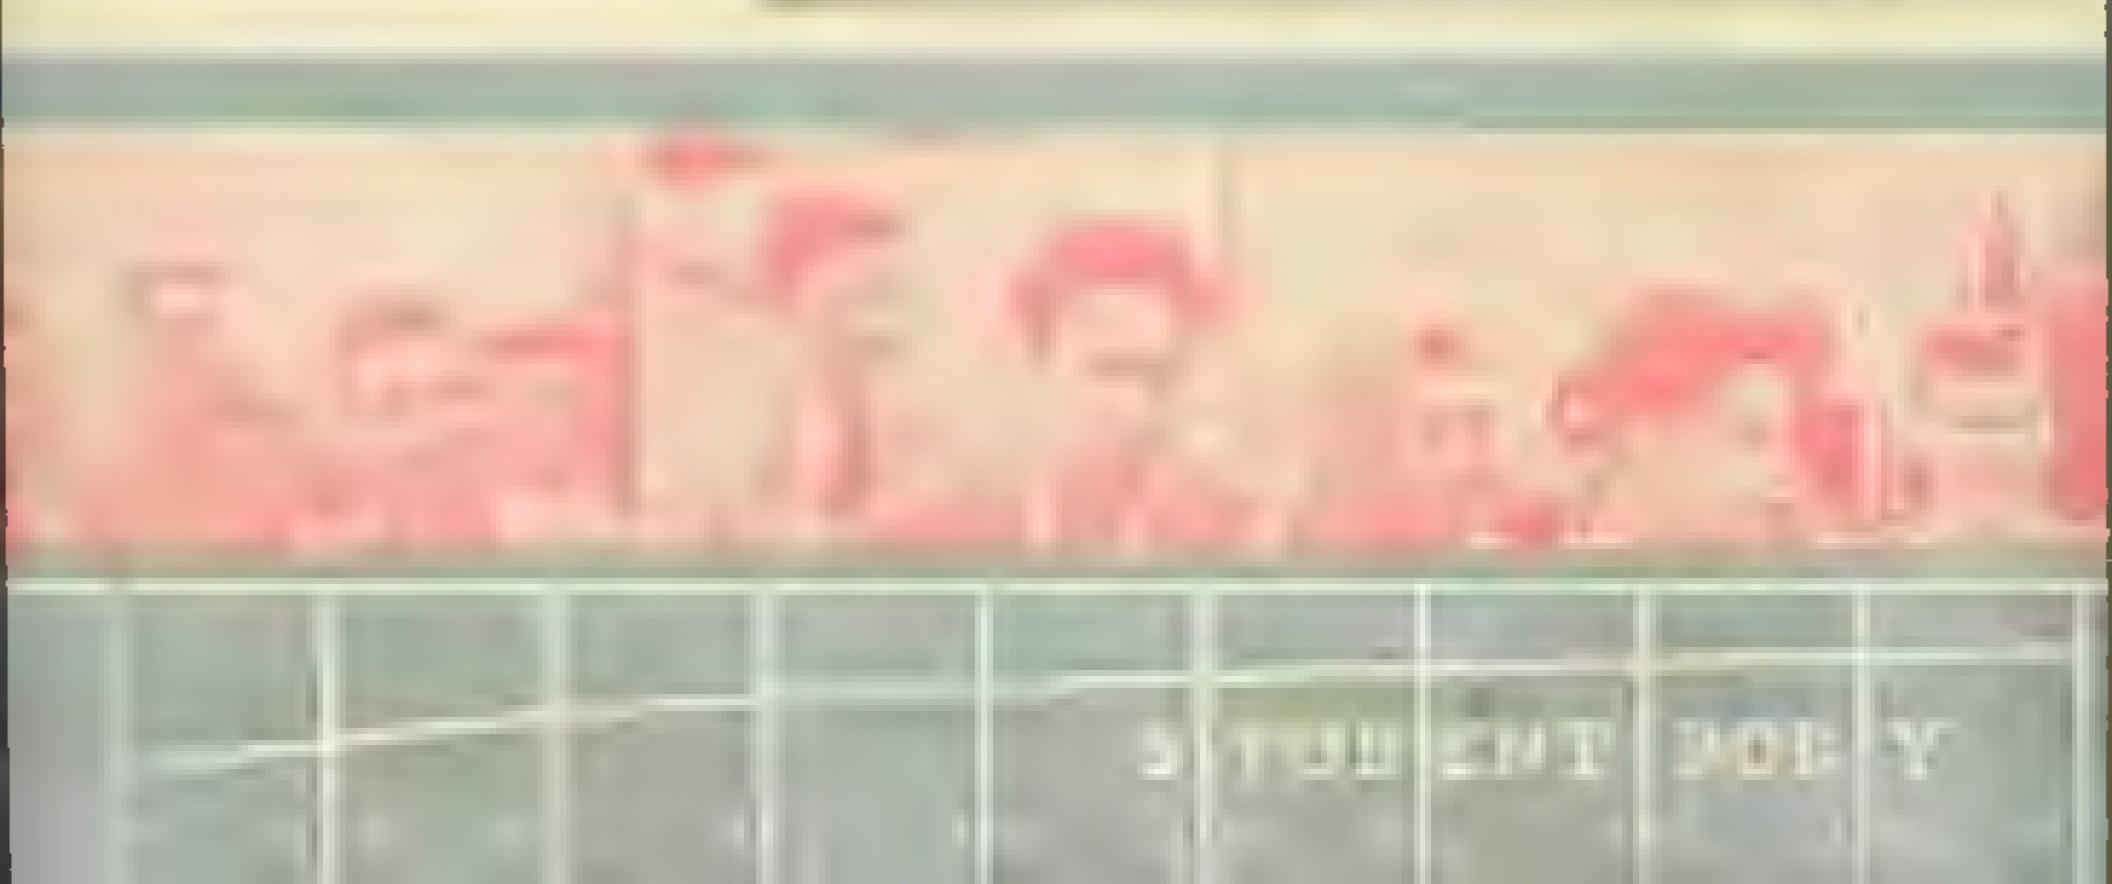

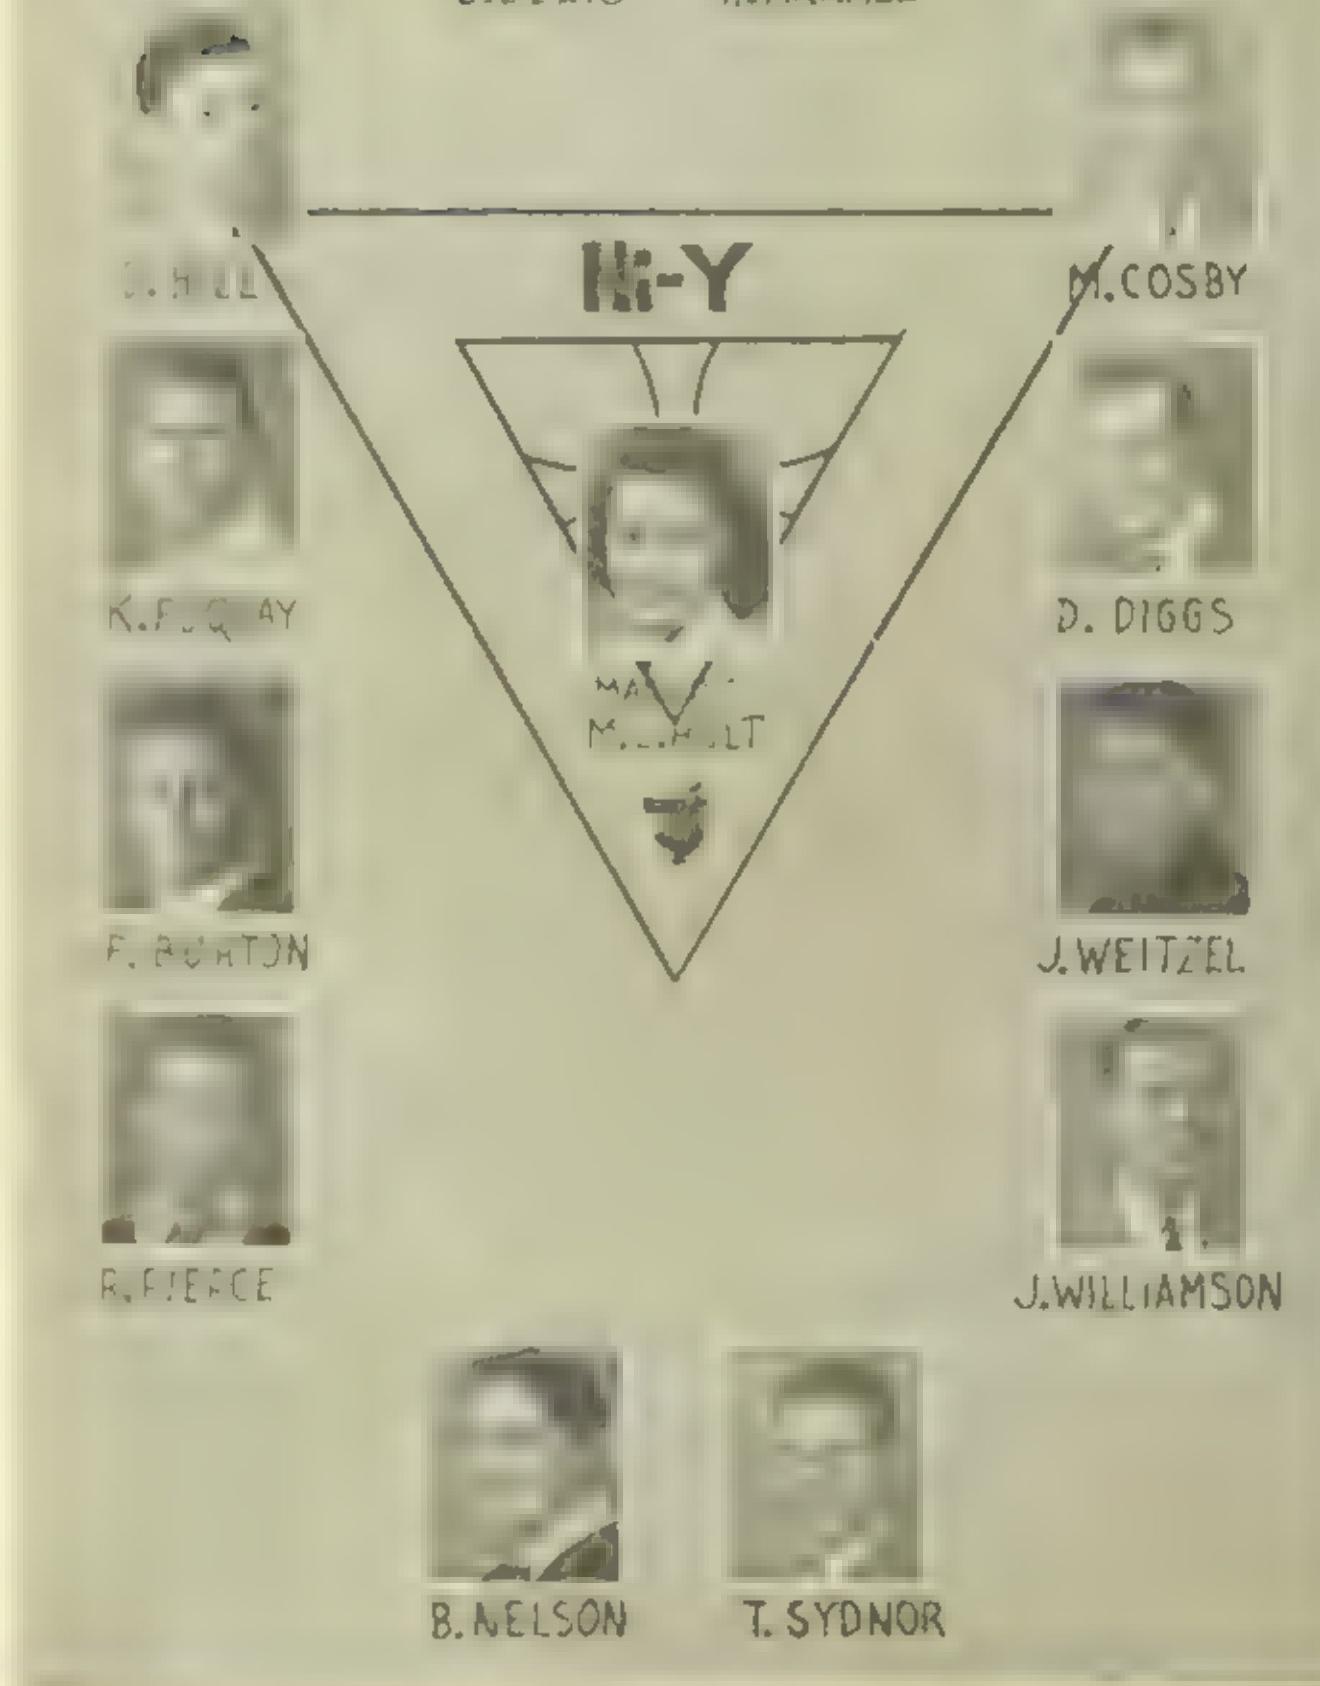

The Thomas Jefferson Hi-Y Club was organized under the direction of Mr. Alexander of the local Y. M. C. A. It is affiliated through the state committee with the Virginia Chapter of the Hi-Y Clubs of the world. The club has made fine progress since its organization. Some of the projects that have been completed are contributing to the community fund, holding free sport activities, helping the needy, enforcing the school rules, and advancing Christian fellowship.

## Two Years with THE HI-Y CHAPTER II

The second chapter of the Thomas Jefferson Hi-Y Club was organized in the fall of nineteen hundred thirty-eight. It had as its purpose to create, maintain, and extend throughout school and community high standards of Christian character. Bill Miller was elected to be its first president. Among many of its activities are helping the poor, ushering at school games, enforcing the school rules, and holding free sport activities. Its membership now numbers thirty-five.

## Ten Years with THE COMMERCIAL CLUB

The Commercial Club was organized in nineteen hundred thirty by students interested in commercial subjects, and only those students who anticipate a business career are eligible for membership. Through addresses by prominent speakers, and visits to industrial institutions the members earn much valuable information. An important branch of the club is the alumni association which links all the commercial students of the class of 1930 together. The following letters are:

THOMAS JEFFERSON 6—GLASS 13

THOMAS JEFFERSON 19—CREW 6

#### THOMAS JEFFERSON 0—HOPEWELL 7

Once again Tee Jay lost a "heartbreaker" to Hopewell and was thereby eliminated from the Virginia Literary and Athletic League championship. The game was one of many punts and passes, with few clicking. Tee Jay got to Hopewell's four yard line late in the second quarter after Erwin Baughan had passed thirty five yards to Cardoza to put the ball on Hopewell's fifteen yard line. The Jells' march was broken when Ed Phelps intercepted a pass on Hopewell's two yard line. In the closing minutes of the game Ed Phelps went through center for a fifty yard dash and a touchdown. The kick by Clinton Hobb was good for the extra point.

#### THOMAS JEFFERSON 24—LANE 0

Thomas Jefferson closed its nineteen hundred thirty nine season with a twenty four to nothing victory over Lane High of Charlottesville. The game was played on a muddy field, but the Presidents were not the least bit troubled. Three of our backs, Paul Hall, "Pinky" Hargrave, Marvin Cardoza and Jimmy Ransone, end, took turns in registering touchdowns in four different periods. In the last quarter the reserves went in and pushed over a touchdown with the longest gain of the day. All four attempts to convert an extra point failed. Lane fumbled away a chance to tie the score in the second quarter, after having marched down to Tee Jay's four-yard line. They had little chance to get within scoring distance again, as our line stopped every running attack on the slippery field.

#### THOMAS JEFFERSON 0—SAINT CHRISTOPHER'S 0

Thomas Jefferson played a hard fought game against a favored Saint Christopher's team. Our line out charged their line and forced the Saints to an aerial attack. Saint Christopher's completed a pass which was good for a touchdown near the end of the fourth quarter, but it was called back because a back was in motion. The Jells successfully turned back three of the Saints' threats in the first quarter. Our lone threat came near the end of the second quarter. We took the ball on their forty three and advanced to their twenty yard line, where they got the ball on down. Erwin Baughan, Bowles, and Gilman were our outstanding backs, while Tommy Winston, Ed Ralston and Jimmy Ransone looked good in the line.

#### THOMAS JEFFERSON 0—JEFFERSON HIGH 13

In a blinding snowstorm the two Jeffersons battled it out. Jefferson High coming out with the long end of the score. Tee Jay outcharged the Roanoke team and roared up yardage with apparent ease, but was unable to make a touchdown. Jefferson High's first touchdown came in the first quarter, when Deshazo threw a fifteen yard pass to Bob Tavener. Deshazo made the extra point on an end run. With less than a minute to play, Deshazo again slipped away on an off tackle play for an eighty eight yard run and the final touchdown. Thomas Jefferson never gave a serious threat to the Roanoke team, but was able to roll up seven first downs to the Magicians' three.

#### THOMAS JEFFERSON 17—GRANBY 0

Thomas Jefferson broke its losing streak with a seventeen to nothing victory at the expense of Granby. Two touchdowns, two safeties, and one extra point gave us a total of seventeen points. Jimmy Ransone and John Hoke blocked a kick in the end zone for a safety in the opening minutes of the game. Granby kicked off and Hargrave returned the ball to Granby's forty seven. On six plays Tee Jay scored a touchdown with Hargrave going over. Floyd Bowles kicked the extra point. A bad pass by Granby's center enabled Jack Causby to tackle their right guard behind the goal for another safety. Our "B" team scored the final touchdown in the last quarter. Calvin Marks passed to Jack Causby on the forty five. Causby lateralized to John Kohler, who ran fifty five yards down the sideline for a touchdown.

#### THOMAS JEFFERSON 6—PETERSBURG 13

Before a crowd of 5000 spectators, Thomas Jefferson scored on the Crimson Wave for the second time in the history of the school. The Jeffs were turned back thirteen to six, but not before they had outplayed their opponents. Our line outcharged the Petersburg line by twenty four yards, and four passes were completed by our team, one for a touchdown. All three of the game's touchdowns resulted from long passes, the Wave scoring in the first and third quarters and the Jeffs in the second.

#### THOMAS JEFFERSON 7—JOHN MARSHALL 0

Before a crowd of 14000 spectators Thomas Jefferson defeated John Marshall at the city stadium for the second time in nine years. Tee Jay's touchdown came in the opening minutes of the game. The ball was on John Marshall's forty five yard line when Paul Hall took it from center. He reversed to Bowles, who in turn reversed to Erwin Baughan. Erwin Baughan lateralized to Walter Delaney, who then threw a thirty-one yard pass to Jimmy Ransone. Jimmy went across the goal line standing up. Blub" Bowles booted the pigskin between the uprights for a perfect extra point. Several times John Marshall threatened to score, but through the outstanding performance of our line we kept them from crossing our goal.

#### THOMAS JEFFERSON 0—HAMPTON 14

Tee Jay lost for the third consecutive time to a far superior Hampton team. Led by Fullback Nelson Fuller and a hard charging line, the Crabbers scored touchdowns in the first and fourth quarters and a safety in the third. Fuller made both touchdowns, the first from the fourteen yard line and the second from the two yard line. The safety was scored when Rip Crocker blocked a punt from Walter Delaney and the ball bounded back into the end zone. Hampton piled up nine first downs to our four. Although Tee Jay never threatened to score, Granger and Ransone turned in outstanding performances for Thomas Jefferson.

# BOYS' BASKETBALL

Thomas Jefferson 25  
George Washington 32

Tee Jay had a hard fought battle against George Washington High School of Alexandria on their court. Both teams handled the ball well but the Alexandria boys came out the victors. The high scorer for our team was Howard Scott with seven points. Jack Causty was the runner up with six points.

Thomas Jefferson 30  
Washington and Lee High School 22

Thomas Jefferson defeated Washington and Lee High School on the Arlington school's court. Tee Jay gained a thirteen to six lead in the first quarter but were held scoreless in the second quarter. The Generals rallied and pulled within a single point of the Thomas Jefferson eagles. Again in the third quarter Jefferson's defense began to click, and at the beginning of the last period we were out in front by ten points. Scott captured high scoring honors with eleven points, while Causty was runner up with eight points.

Thomas Jefferson 19—Petersburg 26

Thomas Jefferson was trimmed by the Clinton Wave of Petersburg. The Wavers and Presidents were deadlocked at the intermission, but Petersburg put on a spurt in the second half and broke the tie. Ed Clements led the Petersburgh attack by dumping in four field goals and making good a free throw for nine points. Delaney topped the Tee Jay scorers with five points.

Thomas Jefferson 15—Hopewell 34

Hopewell gave Thomas Jefferson a bad thrashing and strengthened their position at the top of the Central District court standing. The Blue Devils ran up a commanding twenty two to eight lead at the half. During the second half every man on their team played. Bill Hanson was high scorer for us with five points.

Thomas Jefferson 19—Maury 31

On February 23, the night before their triumph over John Marshall Thomas Jefferson lost to Maury of Norfolk before a scant crowd of one hundred spectators.

Three minutes of the first quarter passed before Maury scored with two successive goals. Cousins sank a foul and followed up Dolaney's long shot to make the score 4 to 3. As the Nuttall boys scored two more goals, Jones and Delaney made baskets for T. J., and Hanson sank a foul, which tied the score 8 to 8. At the end of the first half Maury led 11 to 10.

In the second half Tee Jay momentarily took the lead when Lapkin scored on a long shot making the score 12 to 11. However, Maury steadily pulled ahead.

Thomas Jefferson 29—Granby 21

Snapping a bad losing streak, the Jefferson eagles defeated Granby. The Jeffs turned in a fine exhibition for the first quarter. Dolaney started the scoring with a foul shot. Then Cardozza, Hanson, and Jones sank shots from the floor in rapid succession. The Tee Jay players continued to make long shots and snowballs, and the score was twenty to seven at the half. Granby put up a desperate rally in the second half but the President boys clung to their lead and won.

Thomas Jefferson 14  
George Washington 32

George Washington High School of Alexandria defeated Thomas Jefferson's eagles thirty two to fourteen. The visitors took an early lead and never surrendered it. They held a seventeen to ten advantage at intermission and piled up more points as the Jeffs were scoreless in the third quarter. Cardozza sank a goal and two free throws in the fourth quarter for his team's only points in the last half. Alexandria, led by Cliff went to town again in the second half to end the game eighteen points ahead of Tee Jay.

Thomas Jefferson 23  
Washington and Lee 32

Tee Jay lost a hard fought basketball game to Washington and Lee High School. The Generals had a fast team and often surprised everyone by suddenly stealing the ball from a Jefferson player and dashing recklessly down the floor for a snowbird and two points. They led ten to two at the end of the first quarter. In the second quarter T. J. led by Cardozza, Lapkin, and Delaney almost caught up with the boys from Arlington. Suddenly in the third quarter Bill Hanson turned the tables and stole the ball out of a General's hands, dribbled half the length of the court, sank a shot, and tied the score eighteen to eighteen. However, in the last quarter Washington and Lee forged ahead to win the game handily.

Thomas Jefferson 9—Benedictine 22

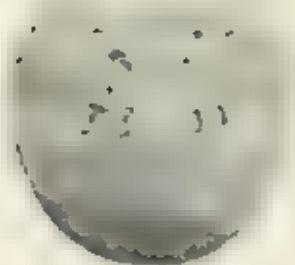

A captainless T. J. basketball team, without the services of Robert Granger, 190 pound "ball hawk," engaged Benedictine on February 8. The team played through four torrid minutes of the first quarter before either side was able to score. The visitors then began to pile up points, and eleven minutes of playing time elapsed before Cousins scored the first point for Thomas Jefferson. A few minutes later Jones sank a field goal, and the half ended with T. J. on the short end of a 12 to 3 score. In the second half our team was again outclassed, and the game ended 22 to 9.

Thomas Jefferson 24—John Marshall 23

Thomas Jefferson successfully broke the tie with John Marshall by defeating them in a post season game. The game was a very close and fast one, and an extra period was necessary to break a tie in the last quarter. Marvin Cardozza was the Presidents' star by making good seven out of nine free shots. The score at the half was eleven to eight in favor of John Marshall, but the Jeffs began to click and ended the fourth quarter twenty-one to twenty-one. John Marshall was the first to score in the extra period, but Cardozza followed with three free shots, ending the game with Thomas Jefferson twenty-four and John Marshall twenty-three.

## B A S E B A L L

The Thomas Jefferson Baseball Team was the only team from Tee Jay able to defeat John Marshall in a major sport during the year nineteen thirty-eight — thirty-nine. They were the first baseball team to defeat Petersburg twice in one year and the second Thomas Jefferson team to down John Marshall in nine years. Six victories, six losses, and two games called off on account of rain composed the season.

# TRACK

## OUTDOOR TRACK TEAM

The nineteen thirty-nine track team, coached by Mr. Fugate and Mr. Strong, was the best in the history of the school. Led by their long-winded captain, Philip Thomas, they were able to close the season with a high percentage of victories. They won the Central District Meet and the triangular meet with Benedictine and Saint Christopher's. John Marshall and Woodberry Forest defeated our harriers by a close score, but they were able to place third in the State Meet. The Duke Invitation Meet climaxed the season, with our team taking fifth place among approximately thirty other schools. Those receiving letters were Philip Thomas; Bill Lugar, Dorsey Wilkinson, Bill Lacy, Bill McClure, Tommy Sydnor, Billy Gray, Horace Jones, and Calvin Marks.

## CROSS COUNTRY TRACK TEAM

Thomas Jefferson's Cross Country Track Team ended its season with a percentage of .500. Since Jefferson High of Roanoke is the only other high school in Virginia with a Cross Country track team, our team was forced to run against college freshmen. We defeated the University of Richmond twice and were defeated by William and Mary and Jefferson High of Roanoke once each.

## INDOOR TRACK TEAM

The Thomas Jefferson Indoor Track Team gave a very good account of themselves in the two meets in which they were entered. Pinky Hargrave scored three points in the Southern Conference Meet at Chapel Hill, and the team tied for third place in the Catholic University Meet in Washington.

## TENNIS

The nineteen thirty-nine tennis team was composed of the following players: Dick Johnson, Fred Wilson, Charles Burgess, John Hoke, W. M. Warren Smith, and Jack Strotz. Victories were won over Hopewell twice, Petersburg once, and John Marshall twice by forfeit. They tied Portsmouth with a score of three to three. Benedictine defeated them twice and Petersburg and the University of Virginia once each.

## GOLF

### GOLF TEAM—1939

Under the leadership of Mr. Galvin and the coaching of Mr. T. J. T. T., the team had eleven wins and four defeats. They retained their city championship and placed third in the State competition. The first in having a thirty-nine hockey team is one of which the girls' team can be proud. The team, however, did not do well at the State Tournament, but it was the year of the first All-American in women's hockey, and Washington's own Dorothy Price, H. L. Jones and Alice Kenway were the winners. Washington's best player, the star of the William and Mary Team, was the captain, Betty Bent and Patsy Ryland on the All-State Team.

With only one full double match, the Tennis team did not do up to its usual standard. The five wins made by the team, though not many victories, will be heartily noted in the hands of St. Catherines.

The large number of players put this season makes the prospect for the next one more trying than very good, and the Faculty Tennis team will make another good record.

# Is the Seed of Success in You?

That is the question that every young man faces as the time draws near for him to enter the business world. If you are able to save money, you can succeed; if not, you will fail; You may not think so, but you will lose as sure as fate, for the seed of success is not in you. Man has two fundamental weaknesses. His inability to hang on to life as long as he desires and his inability to hang on to his material possessions. Life insurance is the only plan which is certain to offset these two fundamental weaknesses. It not only assists him to save his money but guarantees to him the safest investment and the most secure protection.

## A Sure Way To Win A Fortune

THEODORE ROOSEVELT said, "When a man hasn't a substantial fortune and wants one hard enough, he'll take chances to get it. But the only way to get it without taking chances is to take out Life Insurance."

For nearly seventy years we have been selling foolproof fortunes at notably low rates. Let us show you how easy it is to arrange for one to be available when you or your family will need it most.

### MISS LYNE E. MOSELEY

DIED APRIL 22, 1940

With the death of Miss Lyne E. Moseley, on April 22, 1940, Thomas Jefferson and the city lost a valuable teacher and citizen. Miss Moseley possessed character traits admired and esteemed by all. She was a person of sound scholarship, varied interests, and wide sympathies. We hope that we who survive her may emulate the very fine qualities which she possessed.

The Thomas Jefferson Men's Association, organized in the spring of 1938 by the fathers of T. J. students and friends interested in our school, has been instrumental in securing the lot for the girls' hockey field and furthering its development. The association has donated an honor plaque for outstanding students, has demonstrated great interest in athletics, and has shown itself glad to help the school in any project for improvement.

Once again the MONTICELLO is bound in a Molloy Made cover from the David J. Molloy Plant.
